Campus Ministry Sunday
ELCA Illinois Campus Ministries

On this Sunday, you are encouraged to lift up the Lutheran Campus Ministries of the ELCA in general and the campus ministries in Illinois in particular. These sites are eager to share resources with you to inform you of this important ministry and are always grateful for student referrals to the various sites throughout the state. Campus ministry welcomes your kind support on this day and throughout the year. And more importantly, it covets your prayers for this work and for the students who participate. Thank you.

A Prayer for Campus Ministry

Holy, Good and Gracious God,

We give you thanks and praise for the many you have called and the ministries you bless. Today, we lift before you the campus ministries of the ELCA particularly those within the state of Illinois.

Pour your blessing on these ministries as they invite people in academic settings more deeply into Jesus Christ and the communities that bear his name so that they may discover and fulfill their vocation as disciples and through them the world may be reminded that it is deeply loved.

Pour your blessings on those within the ministry who dare to open themselves to new opportunities to expand one's mind, to deepen one's faith and to inspire service so all they do may be a proclamation of your compassion and peace.

Pour your blessing on those who accompany students, faculty, and staff through the joys and challenges of college life. May your gospel give witness to truth within this context of ministry where careful research, critical thinking and personal development dynamically come together.

We pray in the name of Jesus for God's glory. Amen.
